

The image contains three technical drawings of mechanical parts with dimensions in millimeters (mm):

- Part 1 (Left):** A rectangular plate with a width of 200 mm and a height of 80 mm. It features two horizontal slots, each 105 mm long, positioned symmetrically within the plate.
- Part 2 (Middle):** A T-shaped piece with a base width of 60 mm. It has two vertical pins or holes extending upwards from the center of the base.
- Part 3 (Right):** A stepped block with a total height of 40 mm. The base has a width of 20 mm. A wedge-shaped feature is attached to the top surface, with a height of 20 mm at its base and a sloped top surface.

ESCALA 1:10

The technical drawing illustrates the dimensions for a litter box assembly. It includes three views: a Top View, a Side Elevation, and a Front Elevation.

- Top View:** Shows the litter box (orange) with a width of 36 and a depth of 15. The base (grey) has a width of 26.58 and a depth of 6. A circular detail with a diameter of Ø40 is shown to the right.
- Side Elevation:** Shows the litter box (orange) with a height of 40 and a depth of 15. The base (grey) has a height of 40 and a width of 26.58. The total height of the assembly is 110.5. The base is labeled "Base Apoio Metálico Fixado no Chão" (Base Support Metal Fixed to the Floor). The litter box is labeled "Lixeira Aço Galvanizada Chapa 14" (Galvanized Steel Litter Box 14).
- Front Elevation:** Shows the litter box (orange) with a width of 40 and a height of 40. The base (grey) has a width of 16.8 and a height of 15. The total height of the assembly is 110.5. The base is labeled "Base Apoio Metálico Fixado no Chão" (Base Support Metal Fixed to the Floor). The litter box is labeled "Lixeira Aço Galvanizada Chapa 14" (Galvanized Steel Litter Box 14).

Technical drawings of the BARRA DE ALCANTARA (Alcantara Bar) showing dimensions in centimeters:

- Vista Superior (Top View):** Shows a rectangular bar with a total width of 115 cm and a depth of 90 cm.
- Vista Frontal (Front View):** Shows the bar with a total height of 212.5 cm. The base has a width of 210 cm and a depth of 220 cm. The bar itself has a height of 30 cm and a depth of 160 cm.
- Vista Lateral (Side View):** Shows the bar with a total height of 212.5 cm. The base has a width of 210 cm and a depth of 220 cm. The bar itself has a height of 30 cm and a depth of 160 cm.
